

## MISSION STATEMENT

### THE LEAGUE OF CALIFORNIA CITIES WOMEN'S CAUCUS

is a non-partisan and multicultural organization of local public officials who are dedicated to advancing and empowering women as leaders and advocating for issues that improve the well-being of women and our constituents throughout the state.

## GOALS

1. Offering, as an overarching objective, support and value to our members
2. Providing educational and leadership development opportunities
3. Fostering collaborative opportunities to accomplish common goals
4. Providing mentoring and networking opportunities
5. Supporting targeted policies that benefit women
6. Maintaining and increasing fundraising to sustain Caucus activities

## WE SUPPORT

The LOCC Women's Caucus provides support for women in elected office and local government leadership positions throughout California. You'll always have peers to consult with and resources to utilize.

## WE CONNECT

Political connections are always important. The more people you know around the state, the further you can go. But the Women's Caucus also produces genuine connections that can turn into a mentor, friend, or sounding board throughout your elected career.

## WE TEACH

The Women's Caucus can help you get up to speed on issues that affect your job. We offer scholarships to many leadership development opportunities. It's a highly valuable group for anyone trying to navigate local politics.

## WE ORGANIZE

Together we advocate for public policy priorities that benefit women.
